Light duty Mechanic

Description

Shoal Lake Rad & Glass is Hiring: Light Duty Mechanic

Who we are:

Founded in 1967 by Earle Shurvell and now in our third generation of family ownership, Shoal Lake Rad & Glass is a well established mechanical, autobody, and glass shop in Shoal Lake, MB. We are dedicated to quality work, honest service and running a supportive, team oriented shop where our employees are truly valued.

Our business is growing and we are currently completing a major expansion on our mechanical side that will be finished this winter. We are located an hour northwest of Brandon and our town offers the best of rural living; affordable housing, short commute, outdoor recreation, and a welcoming close knit community. Shoal Lake has all the everyday essentials right in town, including a grocery store, bank, post office, gas station, hotel/restaurant, gym, rink, campground, splash park, and golf course.

Duties

- Perform quality engine and mechanical repairs
- Conduct electrical service diagnostic work
- Complete oil changes and routine maintenance
- Install and balance tires, and perform tire rotations
