Job Description**Job description**

We are Central Dental Solutions, providing products and services to the dental market. We are a family-owned business in Winnipeg since 1981. Our commitment is to create a rewarding, positive business environment for our customers and our team. Our Company Values:

- Value People – They Matter
- Always be prepared to go the extra mile
- Learn to find the Win / Win
- Use a team first approach
- Embrace change
- Stay positive – every day

You are: a dental or medical equipment technician with a minimum of 2 years' experience and have a knowledge and understanding of the equipment function in a dental office.

You are: looking for a change and would like to work as a Dental equipment service technician.

You have: a career opportunity to join a growing team that is experiencing success in the dental market space.

You are: A team player, with a good troubleshooting skillset. You have a valid class 5 driver's license, and are able to drive to our office every day in the Murray Industrial Park. Your Base salary is dependent on experience. Bonus / Incentive programs will be applicable after 3 months of employment. Blue Cross benefits plan available after first 6 months.

Your daily tasks will include:

Diagnosing malfunctions with equipment for repair including sterilizers, handpieces, x-ray equipment and other dental related equipment.
Completing repairs and testing equipment to ensure proper performance
Assemble equipment
Follow up with customers by phone - customer care.
Manage parts inventory & loaner equipment
Writing up work orders

Documentation of reports for service records / regulatory requirements
Essential requirements for the position:

Great phone/people skills.
Strong desire to help customers.
Good team player.
Basic computer skills.
Attention to detail/diligence.
Knowledge and understanding of basic electrical, mechanical, functions.
Basic computer literacy
Valid Class 5 driver's license
Enjoys fast paced environment
About Central Dental Solutions
