- Continuous training and development program
- Comprehensive group benefit plan
- Great "Family Oriented" work environment and culture

genAG is a privately owned 'family' based company that believes every person should

have the opportunity to use their skills and passion in ways that are fulfilling, productive, and which build a sustainable future for all stakeholders. We also believe every person deserves a high standard of respect and support from their employer, as well as from their 'workplace family'. It is our company policy and practice to demonstrate this kind of support and respects towards each other through the 'workplace family', as well as to those we serve outside our walls. There should be nothing more important to us than the wellbeing of our staff and our customers. 'Success' comes through our working and growing together and through our service to others. 'Service' is a pillar upon which we've chosen to build our business, and which leads us to find purpose, fulfilment, and endless opportunity.

We thank you for your interest in the position, all resumes can be submitted by emailing HR@genag.com
