

Sewing Operator

Employer: Andr anne Designs Inc. (Voil  par Andr anne)

Terms of Employment: 25-35 hours/week

Location: 303-421 Mulvey Avenue East

Why join VOIL ?

VOIL  is not only a brand, it is a culture and a lifestyle. We look for dynamic individuals who are not only interested in retail and fashion, but who enjoy challenges and share our vision for a safer, cleaner, healthier planet.

In addition to our customers, an intrinsic part of our success has always been the people who work here. VOIL  is a company in which you can grow and benefit from the great opportunities often available.

Position Overview:

- Produce bamboo jersey fashion garments such as jackets, dresses, tops, leggings and pants according to the high standards of quality that VOIL  is known for worldwide;
- Sew pre-cut fabric pieces including, but not limited to, pockets, flaps, binding, piping, hoods, sleeves and linings;
- Assess the quality of garment pieces before sewing to ensure garments are up to quality standards;
- Participate in the sewing process as part of a team to ensure all work is completed in accordance with quality standards, delivery schedules and safety requirements;
- Ensure individuals and team productivity quotas are met or exceeded on a daily basis;
- Adhere to all health and safety regulations and related company policies.

Qualifications:

- Industrial sewing experience is essential, preferably in the apparel manufacturing industry;
- Able to use various industrial sewing machines including single needle lock stitch, serger and binding machines;
- Able to speak and understand English in order to comprehend written and verbal instructions;
- Able to work well with others in a fast-paced environment;
- Reliable with a good attendance record and a focus on punctuality;
- Able to work extended hours as required to meet business demands;
- Other duties as assigned.
