- Assembling component parts to complete dry dusting mops assemblies.
- Must be familiar with the following; serging equipment, multiple needle equipment, bar tacking sewing equipment.
- Familiar with the work orders and capable of meeting production standards with a fair degree of proficiency.
- Responsible under minimal supervision, for quality and quantity of products produced and to ensure that the correct amount of raw material and labor is consumed.
- Production line oriented to develop a smooth flow of products in the manufacturing process.

**Job Category:** Manufacturing, production of mops, day shift.

#### **QUALIFICATIONS, TRAINING, AND EXPERIENCE:**

- Should have high school diploma or equivalent
- Must be able to speak, understand, read and write in English
- Must have previous commercial sewing experience
- Must be legally able to work in Canada.
- Criminal record check required.

#### **Job Type:**

- Full-time Salary:
- \$15.00-\$16.00 per hour

#### **Benefits:**

- Dental care
- Extended health care
- Paid time off
- RRSP match
- Vision care

#### **Schedule:**

- 8 hour shift
- Monday to Friday

#### **Experience:**

- Sewing Machine Operator: 2 years (preferred)

#### **Shift availability:**

- Day Shift (required)
- 7:00am – 3:30pm?
