

## **Manufacturing Technician/Operator**

BOMImed Inc., a Winnipeg based, medical device manufacturer and distributor of airway management, anesthesia, critical care, warming therapy and diagnostic devices, is looking for a skilled Manufacturing Technician/Operator to join our Manufacturing team. This person will be responsible for operating, maintaining, and repairing BOMImed's manufacturing and production line equipment.

### **Duties & Responsibilities**

- Operate, maintain, and repair manufacturing and production line equipment (e.g. injection molding, corrugated extrusion, automated assembly, ultrasonic welding, baggers, conveyors, and other auxiliary equipment)
- Maintain molds for injection and extrusion operation
- Monitor product quality and document results
- Package and label manufactured product
- Operate hoisting and lifting devices such as overhead cranes, fork lifts, engine hoists, pallet jacks, etc. to position machinery and parts during the installation, set-up, and repair of machinery
- Maintain industry best practices to ensure a safe working environment
- Keep work area clean and perform general housekeeping

### **Required Skills**

- Excellent verbal and written communication skills
- Strong practical "hands on" skills and mechanical aptitude
- Ability to achieve required productivity levels in a fast-paced environment
- Ability to work independently and as part of a team
- Excellent attention to detail, maintaining high quality workmanship
- Demonstrate strong time management, organization and prioritizing ability
- Capable of lifting 50 lbs

### **Education/Experience**

- 2 years experience operating manufacturing equipment
- 2 years experience maintaining equipment, molds, etc.
- Manufacturing Technician certification preferred
- Experience with plastics (injection molding, automation, extrusion) is an asset
- Experience in automation environments is an asset

**Day Shift:** 9:30 AM to 6:00 PM, Monday to Friday

We offer a competitive salary, comprehensive benefit package including a clean and positive working environment. If you believe this is an opportunity that is well matched to your skill set and capabilities, please email us a copy of your resume and cover letter to [careers@bomimed.com](mailto:careers@bomimed.com) referencing **Manufacturing Tech 2022** in the subject line.
