Full-stack WordPress Developer
May 30th, 2022

Barry McKay Consulting (BMC) was founded in the year 2000 with a vision to become a leading end-to-end IT support provider for organizations of all sizes and types. Our mission is to enable clients to conduct, expand and simplify their operations by providing tailored, reliable, and affordable end-to-end IT, including network support services, procurement, business development, web development and hosting.

Our company values of customer service, reliability and quality are deeply engrained in our company culture. Our focus is on building long-term relationships between our team and our clients.

Position:

We are looking for an **experienced Full Stack WordPress Developer** to join our team! As a Full Stack WordPress Developer, you will be responsible for developing, supporting, troubleshooting, and hosting WordPress sites. Through your technical skills and experience, you will add your expertise to our customer-focused support team, enabling you to expand your skills while working with our amazing clients. We pride ourselves on our ability to be resourceful and innovative to ensure our clients receive personalized service and support.

It would be ideal if you also had experience in:
Drupal
Shopify
Moodle
Dot Net

Required experience and skills:

5+ years' experience with WordPress development with a good understanding of themes and plugin development
Experience working with Linux servers including bash, Apache2, MySQL, MariaDB, cron and cPanel
Ability to manage priorities with the team, stay on task, work within budgeted time and communicate with co-workers and clients
Work effectively and collaboratively with others.
Ability to work independently at times with initiative and with minimal direction in a fast-paced environment

Benefits:

- Competitive compensation based on skills and experience
- Group health benefits (after 3 months)
- Mileage compensation
- Work/life balance supported

How to Apply:

Please send your resume and cover letter to dom@barrymckay.com.
