

Lean Facilitator – Carfair Winnipeg

Winnipeg, Manitoba

Carfair Composites is a leader in fibre-reinforced plastic (FRP) design and composites technology and has dedicated team members located in facilities between Winnipeg, MB (Canada), St. Cloud, MN (USA), and Anniston, AL (USA), Wausaukee, WI (USA) and Gillett, WI (USA). Further information is available at www.carfaircomposites.com.

POSITION SUMMARY:

As a key member of our organization, you will be responsible for leading and supporting continuous improvement activities using lean concepts and tools; which include identifying opportunities for improvement, facilitating kaizen events, coordinating and providing lean training, tracking results and following up to ensure improvements have been sustained.

WHAT YOU WILL DO:

- Lead and facilitate lean Kaizen events and prepare/present report-outs at the conclusion.
- Develop and conduct lean training programs.
- Ensure audit processes are in place to sustain 5S and Visual Factory performance.
- Work closely with Carfair Lean Facilitators to ensure standardization of lean initiatives and practices is attained and best practices are implemented in all locations.
- Work with all related process stakeholders in all manufacturing facilities to identify areas for improvement.
- Educate personnel on recommended lean approaches and explain the expected improvements.
- Develop and implement appropriate problem-solving methodology and practices.
- Promote and encourage a manufacturing cell-based environment.
- Participate in manufacturing association activities to learn best practices from other companies.
- Maintain leading-edge knowledge of lean processes and tools, including 5S, Visual Factory, Value Stream Mapping (VSM), Total Productive Maintenance (TPM), Value Graphs, Standardized Work, Cycle Time Reduction and Set-up Time Reduction.

WHAT YOU NEED TO BE SUCCESSFUL:

- College diploma or university degree in a related field (optional).
- Lean Greenbelt certification or equivalent training or experience.
- Minimum five (5) years previous work experience in a manufacturing management environment.
- Minimum three (3) years previous work experience as a lean facilitator preferred.
- Excellent communication and presentation skills.
- Ability to work at all levels of the organization.
- Strong computer skills, with focus on MS Office (Word/Excel).
- Experience working in a unionized environment considered an asset.

WHY JOIN OUR TEAM:

- The ability to advance your career with a growing company.
- Ongoing employee development through a variety of in-house training initiatives.
- We enjoy numerous employee events throughout the year

OUR WHY:

We exist to move people. Our mission is to design and deliver exceptional transportation solutions that are safe, accessible, efficient and reliable.

NFI Group is a leading independent global bus manufacturer providing a comprehensive suite of mass transportation solutions.
