Monday to Friday, day shift, 40 hours per week with overtime offered as needed to meet business demand. Shift 7:30am to 3:30pm

To be successful in this role you will have:

**People Skills:** You will have a positive attitude, willingness to help co-workers complete tasks, be punctual with a commitment to good attendance and the ability to work with others.

**Focus on Quality:** You will have an eye for detail and take pride in your workmanship. Canadian Gold Beverages takes pride in what we do therefore, a high level of commitment and a can-do attitude towards quality is a vital requirement for this role.

**Capacity:** You will understand the importance of time management and work ethic towards getting tasks completed to meet production requirements with high-quality standards

Some of the responsibilities for this role may include:

- Contributing to ideas on continuous improvement, problem-solving and quality
- Focus on maintaining quality production standards
- Ability to work in a team and independently on tasks with minimal supervision
- Ability to work daily, Monday to Friday
- Flexibility to assist with overtime as needed
- Flexibility to contribute to different teams as required
- Physical activities include: walking, standing, kneeling, bending, lifting (up to 50lbs), reaching, using arms/hands to operate equipment
- Required to wear hair net, smocks, rubber soled shoes, and nitrile gloves when needed for specific jobs

Successful candidates will have:

- Previous experience in a manufacturing environment (is an asset, but not a requirement)
- Mechanical aptitude (is an asset but not a requirement)
- Effective verbal and written communication skills

Please submit your resume as soon as possible

(Please note that we will start interviewing as resumes are received).
