Some reasons we think you may like us!!

We pay for EVERY hour worked and work overtime and 1.5 X for overtime.  
Regular hours Monday to Friday with the occasional Saturday work  
You are paid \$25-\$30/hour electronically so no need to hunt down your cheque  
Colour Scheme Professionals Inc. may be the right fit for you!

Our current painters like working with Colour Scheme because:

we attract great customers who are happy to see them each day.  
We welcome working with people from diverse backgrounds.  
We ensure that all job-related paint and supplies are delivered directly to each job.  
Our office team respect the painters and value the expertise  
We provide company trailers at every job. You don't need to haul around your ladders.  
We use digital time sheets, an app for communication & all job-related paperwork at your fingertips.

It's a Team effort & we like it that way!

In this role with Colour Scheme, you will be:

leading and empowering a team or new enthusiastic apprentices  
fostering relationships to ensure happy customers in the re-painting industry that will want YOU  
back on their next project  
Ensuring that each step throughout the project is completed from beginning to end  
Colour Scheme pays EI, CPP, Vacation pay at every pay period with your wage. We believe in  
continual education including communication and organizational coaching. Colour Scheme has  
regular staff BBQs through the warmer months and a get together prior the Holiday Season.

Requirements:

5 to 10 years of lead painter experience working with a painting company  
clean cut, personable  
have a valid driver's license and your own vehicle  
enjoy working on Exterior projects
