

Cross Country Manufacturing
418 South Railway Street
Morden, Manitoba R6M 2G2

This job is located in Morden, Manitoba and is a relocation position. Relocation bonuses will be considered. Candidates must have good English skills and have at least one year of welding experience to apply.

Cross Country is a leading Canadian Manufacturer in the aggregate and transportation industry and is currently seeking **Full time Welders and Welder Fitters** to join our team. We are also seeking summer student welders who would like to work full-time in our plant. We offer competitive wages and a comprehensive benefit package with life insurance.

Benefits: Casual dress, Dental care, Extended health care, Life insurance, On-site parking, Paid time off, Vision care.

This position requires the ability to MIG weld steel and/or aluminum parts and subassemblies together. Welders use a combination of the following: blueprints, precise measuring, fitting, tacking and welding various parts in different positions to create an end product that is engineered to withstand the elements of a heavy industrial environment.

Skill Sets and Requirements:

- Precision with measuring tapes and knowledge of fractions
- Good knowledge of blueprints/able to read blueprints
- General knowledge of set up and operation of power tools common to the welding trade
- Able to use hand plasma and oxy/acetylene torch
- Be self-motivated and willing to learn
- Able to work independently with minimal supervision
- Able to work in a fast paced environment
- Able to work as part of a team or individually
- Fitting experience an asset (parts fitting and tacking)

Cross Country is a place that provides strong support for their employees and cares about their thoughts and ideas.
