

### Fur Blocker / Repairer

Crown Cap began manufacturing textile headwear for the Western Canadian farm trade in 1934. Still a mainstay of our business today, Crown Cap has become a major manufacturer of finely crafted luxury headwear for men's and ladies' hats designed and made in Winnipeg. We are seeking a highly motivated, enthusiastic, and detail-oriented person to join our team.

#### Position Overview:

Working from directions assigned by the department supervisor, this position is responsible for repairing and blocking (stretching and shaping) fur skins. This position will also assist in inspecting raw material for defects.

This is a full-time position Monday to Friday 7:00 AM to 3:30 PM

#### Key Responsibilities, but not limited to:

- Sorting, cutting, blocking, and repairing fur skins
- Keeping cutting area clean and organized
- Reporting any quality issues to supervisor
- Inspecting shipments of raw materials for defects
- Support other activities as required by supervisor

#### Working Conditions:

- Manufacturing/Warehouse environment
- Some heavy lifting

#### Qualifications:

- Experience in manufacturing in the apparel industry and knowledge of fur, shearling and leather would be an asset
- Ability to learn, read and execute bill of materials (BOM)
- Good command of the English language, reading, writing and communication skills
- Detail oriented

Benefits: Group insurance, dental, medical & vision, free parking with plug-in

Job Type: Full-time, Permanent

**We thank all those who apply, however only selected candidates will be contacted for an interview**
