

Sewing Machine Operator

Crown Cap began manufacturing textile headwear for the Western Canadian farm trade in 1934. Still a mainstay of our business today, Crown Cap has become a major manufacturer of finely crafted luxury headwear for men's and ladies' hats designed and made in Winnipeg. We are seeking a highly motivated, enthusiastic, and detail-oriented person to join our team.

Position Overview:

Working from directions assigned by the Production Manager, this position is responsible for assembling different components of hats, accessories, and insulated jackets.

This is a **full-time position** Monday to Friday 7:00 AM to 3:30 PM

Key Responsibilities, but not limited to:

- Must be able to work independently and with others in a fast-paced work environment
- Control precision (the ability to make precise adjustments quickly and repeatedly in operating the foot controls of a sewing machine)
- Reporting any quality issues to supervisor
- Support other activities as required by Production Manager

Qualifications:

- Sewing experience
- Experience in manufacturing in the apparel industry
- Detail oriented

Benefits: Group insurance, dental, medical & vision, free parking with plug-in

Please submit resumes to hr@crowncap.com

We thank all those who apply, however only selected candidates will be contacted for an interview
