

## About Cafe Carlo

Cafe Carlo is a busy, small, neighborhood restaurant located in the Corydon/Osborne area specializing in house made food with Italian/American theme.

The staff is family like, friendly, respectful and kind. Cafe Carlo is looking for an individual who can join our group at an entry level. We have a diverse staff who are helpful to our new employees.

Some understanding of English is required but the position is good for someone who wants to learn and be supported.

## Job Summary

The entry level position is a full time dishwasher/kitchen helper/cleaner. The position does not require any experience. They learn everything they need to know on the job, as we will provide training.

The position we are trying to fill is 30-35 hours per week Monday to Friday

Start time will vary somewhat from 1:00-2:00 pm

Finish time will vary somewhat from 8:00-10:00 pm

The restaurant is located at 243 Lilac Street (just off Corydon) and is very close to a bus stop.

## Responsibilities and Duties

Daily duties and responsibilities are essential to keeping the restaurant working at an optimal pace. Some common duties include:

- Collect all dishes, cutlery, and glasses
- Ensure all dishes, cutlery, and glasses are properly sanitized before further use
- Clean kitchen tools and appliances properly before use
- Assemble food for patrons
- Prepare takeout packages
- Clean kitchen floors, storage areas, and take out the trash
- Keep shelves and storage area clean and organized
- General cleaning duties

## Qualifications and Skills

- Ability to work in a fast-paced environment and perform well under pressure
- Strong organizational skills
- Ability to multi-task
- Ability to work as part of a team
- Excellent problem-solving skills
- Physically able to lift up to 40 lbs.

## Salary and Benefits

Pay starts at 12.50 per hour plus tips. There is potential for proficient employees to increase their pay and advance their position.

After a 3 month period, mandatory health benefits will be available. Benefits are funded at 50%
