Epic Opportunities for you!

Disability Support Worker

Epic Opportunities has been proudly providing services to people with intellectual disabilities living in the community for 50 years. We are currently accepting resumes for Disability Support Workers.

Are you currently looking for a job that offers flexible scheduling including evenings, days, weekends and overnights? Are you someone that takes initiative, is a self-starter, and enjoys helping others?

If you answered yes to those questions then consider applying for a Disability Support Worker position! No experience, no problem, we provide fully paid training so you receive the necessary tools to help you be successful.

Here's what we have for you:

- Part-time, full time and casual positions.
- Flexible schedules.
- Shift premiums, comprehensive benefits, and RRSP's for qualifying positions.

Epic Opportunities requires a Criminal Record Check (CRC), Adult Abuse Registry Check (AARC) and Child Abuse Registry Check (CARC) prior to commencement of employment. Epic Opportunities will accept existing CRC, AARC and CARC if dated within 3 months of your application date. We encourage those interested to apply for these checks, as there can be lengthy processing times. Obtaining these documents is not a guarantee of employment.

With a commitment to health and safety and in order to continue our mission "to provide person-centred services", Epic Opportunities requires proof of full vaccination against COVID-19 as a condition of employment for all new employees.

If you have any questions or would like to apply, please send a cover letter and resume to:
