

Truck Driver

Fanset Construction Co. Ltd.

Main Duties

Long-haul transport truck drivers perform some or all the following duties:

- Operate and drive primarily tractor-trailor, long-combination vehicle and straight-body trucks weighing over 4500 kg to transport goods and materials over long distances
- Plan trip logistics and obtain required documentation to transport goods
- Perform pre-trip, en route and post-trip inspection of vehicle systems, equipment, and accessories such as tires, lights and turning signals, brakes, and cold storage
- Ensure cargo is secured properly in accordance with safety requirements and follow safety procedures for transporting dangerous goods
- Obtain special permits and other documents required to transport cargo on international routes
- Record cargo information, hours of service, distance travelled and fuel consumption
- Administer bills of lading and manually or electronically maintain logbooks
- Communicate with dispatcher, other drivers and customers using communication devices and on-board computers
- May perform emergency roadside repairs
- May drive as part of a two-person team or convoy
- May transport hazardous products or dangerous goods.

Short-haul and local transport truck drivers perform some or all the following duties:

- Operate and drive primarily straight trucks to transport goods and materials mainly on local routes and short inter-urban routes
- Perform pre-trip, en route and post-trip inspection and oversee all aspects of vehicle such as condition of equipment, and loading and unloading of cargo
- May drive special purpose trucks such as tow trucks, dump trucks, hydrovac trucks or cement mixing trucks.

Qualifications

- Completion of secondary school is usually required.
- On-the-job-training is provided.
- Completion of an accredited driver training course of up to three months duration, through a vocational school or community college, may be required.
- A Class 3 or D license is required to drive straight-body trucks.
- A Class 1 or A license is required to drive long combination vehicles.

- Air brake endorsement (Z) is required for drivers who operate vehicles equipped with air brakes.
- Transportation of dangerous goods (TDG) certification is required for drivers who transport hazardous products or dangerous goods.
- Additional licensing endorsement or certification may be required to drive articulated trucks.

Additional Information

- Progression to supervisory positions or to non-driving occupations, such as driver trainer, safety officer or truck dispatcher is possible with additional training or experience.
