

Vehicle Detailer

Fort Garry Fire Trucks – Winnipeg, MB

Vehicle Detailer

Established in 1919, Fort Garry Fire Trucks is Canada's leading manufacturer of quality fire trucks. Fort Garry Fire Trucks is looking to hire a full time vehicle detailer. As a Vehicle Detailer you will be part of the team responsible for cleaning the interior and exterior of fire trucks, water trucks and septic trucks upon receiving to our shop or prior to customer delivery. We are looking for a dependable, detail-oriented and motivated individual to join our team. Prior experience is not required, training will be provided for the successful candidate.

Responsibilities include:

- Cleaning vehicle interior and exteriors in compliance with company standards
- Operating buffers, sanders, vacuums and other equipment
- Using cleaning, protective and restorative products to maintain and enhance the appearance of the truck

Applicant Requirements:

- Fluent spoken and written English and good interpersonal communication skills
- Ability to lift and move up to 50 pounds individually
- Strong organizational skills with the ability to adapt, multitask and meet timelines
- High attention to detail
- Legally entitled to work in Manitoba
- Reliable transportation; bussing is not available at our location

Assets:

- Work history as a vehicle detailer
- Experience working in a vehicle manufacturing environment or vehicle dealership
- Preference will be given to applicants who are available to work both day shift 8:00 a.m. to 4:30 p.m. and the evening shift 4:30 p.m. to 1:00 a.m.

We offer:

- Competitive salary
 - Health and dental benefits
-

- Boot allowance
- Training
- A stable and growing company with 100 years of experience

Fort Garry Fire Trucks is an equal opportunity employer committed to employing a diverse team. We encourage applications from qualified women, men, members of visible minorities, Aboriginal peoples, and persons with disabilities.
