Our secret Gem, Clearwater Lake Provincial Park, is a 15 minute drive North - East of our community. Camping is available May to September. You have the opportunity for boating, fishing, kayaking, canoeing, hiking, & quading. In the winter, we have beautiful groomed trails for snow machining, cross country skiing/snow-shoeing and of course ice fishing on the lake.

Fish grow big around here! Northern pike have a reputation as fighters and they have the size to back up their bravado. Walleye (pickereel) are a northern delicacy, and nothing beats a fresh walleye shore lunch. Or set your sights on trophy-size walleye, lake trout, Arctic char, perch, sauger or rainbow trout.

The Halcrow Lake Golf & Country Club is located just on the outskirts of town. Everyone is welcome. We also have a curling club, arts council, The Pas Minor Hockey and many children's groups and community activities.
