

## Applications Analyst

Are you looking to grow your professional career in a rural community? Do you want to work for an innovative company that will invest in your potential? Welcome to HyLife; Canada's leading pork producer. HyLife creates limitless opportunities for passionate professionals in a global business setting. Our growing company is searching for top talent to join our team in the role of **Applications Analyst**, reporting to the **Sr. Applications Analyst**, located in the community of **La Broquerie**.

This is a hybrid position with work from home 3 days a week and at the office 2 days a week.

Your days will include:

- Log, track support, investigate incidents for various applications issues from users and provide responses
- Gather and document business requirements for various projects including internal application development, proposed software solutions, and integrated solutions and data
- Work with the company to promote effective use of applications through process improvements
- Support project delivery as assigned by the Sr. Applications Analyst
- Assist with implementation of new software applications or new features for existing applications
- Modify or create customized reports using SQL Server Reporting Services, Excel and other business intelligence tools

To succeed in this role, you must possess:

- Strong computer skills – ERP Software, Microsoft Applications, experience with Intermediate / Advanced Excel
- Strong knowledge of Finance/Accounting
- Experience supporting business applications and processes
- Knowledge of Microsoft Dynamics GP would be an asset
- Demonstrated capabilities of problem solving
- Demonstrated report writing skills including BI/Analytics
- Effective communication and interpersonal skills with the ability to train others
- Highly organized with ability to multi-task
- Resourceful and self-motivated
- Basic understanding of database structure with the ability to connect, query and extract data
- Basic understanding of data integration tools (API's, eConnect)

If you thrive on new experiences and want to be a part of a team with international reach, apply today at <http://hylife.com/current-opportunities/>.

**Your Future starts now!**
