

## Industrial Electrician

Are you looking to grow your trade career in a rural community? Do you want to work for an innovative company that will invest in your potential? Welcome to HyLife; Canada's leading pork producer. HyLife creates limitless opportunities for passionate individuals in a global business setting. Our growing company is searching for top talent to join our team in the role of **Industrial Electrician** reporting to the **Electrician Supervisor**, located in the community of **Neepawa, MB**.

Your days will include:

- Install, maintain, test, troubleshoot, and repair low and medium voltage distribution systems (single and three phase systems), power distribution and generation (generators, transformers, switchgears, breakers), HVAC, emergency systems (boilers, refrigeration, energy control, alarm)
- Working with electrical equipment (AC Drives, power control circuits, starters, MCC's, motors), Microprocessor based systems (PLCs, Electronic circuits, controls), and Instrumentation (pneumatic controls, PID, transducers, servos, analog/digital signals)
- Conduct Planned Preventative and Predictive Maintenance and keep maintenance records
- Recommend and implement corrective action and repairs
- Assist in planning and organizing work activities (drawing interpretation, parts preparation)
- Understand and adhere to all plant Safety Policies

To succeed in this role, you possess:

- Red Seal Trades Certification required as well as electrical, instrumentation, automation, pneumatics experience
- Weigh Scales, HMI, Allen Bradley PLC, VFD, Servomotors, Profibus/Ethernet Network Communications experience essential
- Conscious of workplace hazards, safety is a priority for you
- Ability to make decisions, solve problems, troubleshoot, and multi-task
- Ability to work independently and in a multifunctional team
- Strong oral and written English communication skills
- Available to work in shift rotation and weekends
- May be required to bend, lift and climb while wearing the appropriate equipment
- Working in various environments and exposure to chemicals

If you thrive on new experiences and want to be a part of a team with international reach, apply today at <http://hylife.com/current-opportunities/>

**Your future starts now!**

*HyLife has an accommodation process for employees and candidates with disabilities. If you require a specific accommodation during your interview or potential employment because of a disability, please contact [Jobs@hylife.com](mailto:Jobs@hylife.com). An HR representative will be in touch with you as soon as possible. Reasonable accommodations will be determined based on bona fide occupational work requirements and a case-by-case basis. Our accommodation policy can be forwarded upon request.*
