We are excited to be adding a member to our **SANITATION** team. Our Sanitation team works Monday to Friday between the hours of 3:00PM to 11:30pm, with some overtime.

The team member we are looking for will have a keen attention to detail. Although previous sanitation experience within a food plant is desirable, we are willing to train someone who brings the right attitude. If you don't have previous experience in a meat processing plant but have life experiences that demonstrate your passion for cleaning/cleanliness we would like to hear from you!

Duties and Responsibilities:

- Perform the regular scheduled facility sanitation tasks according to SOPs
- Clean, sharpen & store production knives in preparation for following day
- Collect laundry from production areas and prepare for external pick-up
- Document and report all non-compliance issues on a daily basis.
- Other duties as assigned

Qualifications:

- Previous knowledge with a food safety system, including; SOPs, GMPs, HACCP and/or BRC preferred.
- Must be able to use chemicals and cleaning equipment (pressure washer, etc.)
- Ability to speak, read and write English

Working Environment:

- Tasks may involve standing, lifting, crouching etc. for extended periods of time
- Work in a cool, wet and/or hot, wet environment
- Must have ability to lift up to 50 lbs.

We are looking for dedicated, long-term, team players. If you would like to be considered for our team please provide a resume and cover letter to hr@jowettfarms.ca. No phone calls please. As much as we would like to have the opportunity to talk to everyone that applies, we only will be contacting those that we select to interview, and we thank you for your interest.
