

## FARM HAND – KLETKE ENTERPRISES

Kletke Enterprises operates a grain farm and custom alfalfa and straw baling operation in a team atmosphere located Southwest of Winnipeg in the Brunkild area.

Position: Farm Hand, Equipment Operator

Date: July 2021 to October 2021.

Kletke Enterprises is seeking self-motivated individuals with farming experience who can complete farm field activities and operate various farm equipment. Suitable candidate will be self-motivated, detail orientated and a team player with experience.

Responsibilities:

- Tractor and other farm machinery operation for seeding, spraying, fertilizing, and harvesting crops.
- Operate the John Deere and Krone baler for custom baling.
- Grain storage maintenance and transportation.
- Skid steer and tele-handler operation for stacking and loading of bales.
- Ensure equipment lubrication levels are as per OEM, greasing is complete and pre-use inspections are complete.
- General care of farm buildings and yard.
- Long work hours of 12 - 16 hour days during harvest.
- Other duties to maintain operations.

Qualifications:

- Experience operating agriculture/farm equipment.
- Require class 5 drivers' licence and having a class 1 license considered an asset.
- Positive attitude and willingness to learn the daily tasks.
- Ability to communicate and work well with others.

Option for living accommodations in a shared farmhouse is available.

Job is located at Brunkild (28 miles SW of Winnipeg) Please email resume to [andrews@kletke.ca](mailto:andrews@kletke.ca)
