

# Seasonal Manufacturing Worker

Operations/Manufacturing Winnipeg, Manitoba 2021-2704

## Description

Lifetouch has been the professional photography choice for schools and families for more than 80 years. Built on the tradition of "Picture Day" Lifetouch captures smiling faces, preschool through high school graduation. We also reach our customers through additional product lines including portrait studios, yearbooks, sports, and events.

It's time to discover the benefits of working for a supportive company that values positivity and rewards hard work. At Lifetouch, you'll be respected for your professionalism, motivation, and ability to consistently deliver results. If your vision is to work for a respected industry leader, we are ready to support you.

To meet the needs of our fall production season, we have various manufacturing production positions available for the fall season at our production plant at 1395 Inkster Blvd.

- August & September start dates
- Day positions start at: 7:15am & 7:30am Monday - Friday
- Afternoon/Evening positions start at: 3:30pm Sunday - Thursday

The primary purpose of each position will be to assist with various production functions as assigned and require the following skills:

- Demonstrated ability to read and write English
- Strong attention to detail
- Good organizational skills
- Problem solving skills
- Good communication skills
- Demonstrated ability to follow instructions

Some positions also require:

- Computer skills – Basic or Advanced
- Ability to stand for long periods of time
- Ability to sit for long periods of time
- Colour difference identification capabilities
- Ability to lift/carry 5-20lbs; 21-50lbs
- Operation of machinery

Minimum Candidate Requirements:

- Availability to work from August – October or September - December 2021
- Minimum 18 years of age
- Successful completion of a criminal background check

*At Shutterfly, we're all about people — bringing them together, making them feel welcome, and connecting them to experiences. We make our customers' memories last a lifetime by capturing, preserving, and sharing them through photography and personalized products. Through our family of brands, trend setting products, cutting edge technology, and best in class customer service, we help our customers, and each other, share life's joy.*

*We thank all applicants for their interest, however, only candidates selected for an interview will be contacted.*
