

Machine Operator

Sunwest is an award winning manufacturer currently seeking skilled and experienced Production Workers to carry out various tasks in our busy plant. The ideal candidate will have some mechanical experience, excellent communication skills and a high attention to details. The successful applicant will be responsible for operating production equipment, finishing products and reporting any issues with equipment and/or product directly to their supervisors. All qualified, responsible applicants are encouraged to apply.

We are currently looking for Machine Operators to work in our Finishing department on our various shifts (Days, Nights & Weekends).

About Sunwest:

Located in the St. James Industrial Park in Winnipeg
Cross-training opportunities available within the organization
We have a performance based profit-sharing program

Qualifications:

Positive attitude and care about your work and team members
Excellent organizational skills with the ability to work well under pressure
No experience is necessary, but willingness to learn and make a positive contribution is required
Must be able to lift up to 20 lbs
Must follow detailed work instructions
The position requires the potential candidate to have excellent attention to detail, manual dexterity and great problem solving skills
Working within an ISO9001 quality program an asset
Must enjoy repetition
Functional English required

If you believe you are the person we're looking for, be sure to let us know why you would be a great fit for Sunwest. We look forward to hearing from you.

We thank all applicants for their interest in this opportunity; however only those selected for an interview will be contacted.

If you are interested, please send your resume to charlene@swsg.ca
