A Sustainable, Forward Thinking Protein Company

Maple Leaf Foods is a leading meat and plant-based protein company, employing over 11,500 people and publicly traded on the Toronto Stock Exchange. We are proud of our roots, which trace back well over 100 years, but our vision and purpose are decidedly forward looking. As we pursue our vision to become the most sustainable protein company on earth, we are committed to creating shared value – creative business value through addressing some of the world’s most critical social and environmental challenges. Our goal is to build a more sustainable food system, which provides nutritious affordable food, operates within planetary limits, cares for animals responsibly, and meaningfully engages with our communities to advance a more just society. We are advancing bold changes within Maple Leaf and more broadly within society to pursue our vision. We deeply believe this is the sustainable path to growth.

Our job is to make great food

Maple Leaf Foods embraces a strong values-based culture, where our people are deeply engaged in work that is purposeful, fast-paced and challenging. We cultivate an open, non-bureaucratic and inclusive workplace that fosters safety and transparency, along with individual leadership and accountability. Each Maple Leaf team member has a voice and plays an active role in helping all of us achieve our goals with passion and discipline. We support one another to grow professionally, to learn new skills and to take on challenging experiences in the spirit of continuous improvement.

Raise the Good in Food

We have united behind a shared purpose – to Raise the Good in Food. This spans a dramatic transformation of our flagship Maple Leaf brand, replacing anything artificial with simple, natural ingredients; investments and process changes to reduce our environmental footprint by 50% by 2025; building a diverse and inclusive culture where all talent thrives; becoming a leader in animal care; and advancing food security through our charitable foundation, the Maple Leaf Centre for Action on Food Security.
