

## **NRS Mail Consulting**

### **Mail Handler**

Candidates will be required to learn how to operate our equipment  
Inkjet machines, Inserter , Polybagger

We will train on that and forklift.

Candidates must be able to lift up to 50 lb tubs / trays

Candidates must pay attention to detail as we sort and bundle material to  
Canada post requirements.

Material delivered to Canada post that is wrong is rejected by them and we  
have to pick up, correct and redeliver.

Candidates need to have a command of English both verbally and written.
