

Job description

No Limits Underground Ltd. is a privately-owned, premier underground utilities contractor in Winnipeg, Manitoba that specializes in directional drilling. We take pride in being a company with dedication, integrity and quality services. Founded in 2017, No Limits Underground Ltd. started off with one directional drill and a crew of three installing electrical for solar systems across Manitoba. With the connections made during that time, our client base grew beyond our expectations and we now offer many services such as hydro excavating, cable ploughing and excavation. This allows us to complete full turn key projects with outstanding services to create a quality outcome on every project!

Due to the expansion of our business, we are seeking a highly motivated and energetic **Heavy Duty Mechanic** to join our growing company!

As a Heavy Duty Mechanic at NLU you will:

- Maintains equipment functional condition by diagnosing faults and malfunctions, listening to operator feedback, conducting inspections and performing repairs
- Ensures operation of machinery and equipment by completing preventative maintenance requirements with assistance from diagrams, operations manuals, and manufacturer's instructions
- Clean, lubricate and perform other routine maintenance work on equipment
- Operate field service trucks to carry out equipment inspections, services, and repairs in the field.
- Verifies equipment serviceability by conducting test drives, and adjusting controls, and systems.
- Communicate pre-repair, ongoing, and post-repair equipment details with site supervisors.
- Maintains equipment, parts, and supplies inventory by checking stock to determine appropriate ordering needs
- General organization & upkeep of yard and shop operations
- Maintains equipment records

Qualifications:

- **Valid Class 5 license**
- Strong work ethic and punctuality

- Ability to communicate effectively with crew members
- Must be in good physical condition with the ability to crawl, bend at the knees and waist, squat and lift 50 lbs; includes body weight, equipment, tools and boxes
- Good planning, coordinating and organizational skills

Work Conditions:

- Flexible work schedule to accommodate production needs
- Able to meet the physical requirements of the position which involves sitting, standing, bending, climbing, lifting (up to 75 pounds)

We Offer:

- Competitive wages
- Comprehensive benefits
- Overtime after 50 hours/week
- All PPE provided: Hard hat, high vis vest, gloves, and glasses

Benefits:

- Dental care
- Extended health care
- Vision care

Core Competencies for all employees of NLU:

- Ethics and Values
- Quality and safety
- Integrity and Respect
- Results Oriented

Salary: CA\$30.00 - CA\$40.00 per hour

No Limits Underground Ltd. is an equal opportunity employer committed to a safe and diverse workplace. We want to thank all applicants for their interest, however, only candidates who meet the requirements for the posted job will be contacted.
