

Skilled Construction Laborer Job Description

About the Company:

No Limits Underground Ltd. is a privately-owned, premier underground utility contractor in Winnipeg, Manitoba that specializes in directional drilling. We take pride in being a company with dedication, integrity, and quality services.

Founded in 2017, No Limits Underground Ltd. started off with a one-directional drill and a crew of three installing electrical for solar systems across Manitoba. With the connections made during that time, our client base grew beyond our expectations, and we now offer many services such as hydro-excavating, cable ploughing and excavation. This allows us to complete full turnkey projects with outstanding services to create a quality outcome on every project!

*NLU is looking for hard workers for the position of **Skilled Construction Labourer**. If you consider yourself punctual, you like challenges, and you are not afraid of dirty work, this is an amazing opportunity for you! We are looking for people who want to grow with us and excel in the*
