

Roofers

Normandeau Roofing

Main Duties

- Lift and/or carry up to a maximum of 100lbs (average weight to carry is less, but can be up to 100lbs)
- Pull (ripping roofs, hand hoist, setting rolls, etc.)
- Push (wheel barrows, equipment, brooms, mops, etc.)

Working Conditions:

- Work at heights (swing stages, climb up to 40ft ladders, etc.)
- Work extended hours, as applicable (early start times, late end times, work longer than 10hrs per day, weekend work, etc.)
- Work under several weather conditions (wind, cold, heat, dust, etc.)
- Wear a mask where mandatory, or applicable
- Wear gloves where mandatory, or applicable
- Wear all required personal protective equipment where mandatory, or applicable

Are you aware of any medical condition(s) that might limit or prevent your ability to safely perform the duties as outlined above?
