Job Title

Landscape Crew Member

Job Description

We are looking for experienced landscapers to work with us in the position of Landscape / Water Feature Crew Member, starting ASAP. (No prior experience necessary) You would assist in the day to day landscaping project tasks. It is your job to ensure quality work is completed, procedures are being followed and ensure tasks are being completed in a timely and safe manner while working with co workers.

Join a fun growing company with competitive wages and lots of room for growth. We are a full service landscaping company which means there are different projects each day requiring knowledge in each project. We will work with you, have weekly meetings and provide training to ensure tasks are completed properly and to our high company standards.

Duties Include:

Driving 3/4 & 1 ton trucks with trailer
Skid steer operation (experience an asset)
Landscaping projects including patios, water features, irrigation, pergolas, fences, decks and more!
Job pre-assessments
Safety procedures/protocols
Team Leading - training provided
Customer relations
Quality control (final sweeps of the property while paying attention to small detail to ensure 100% customer satisfaction)

Requirements:

Your own vehicle or a VERY reliable mode of transportation (Our shop is located on the west perimeter with no bus service)

A positive attitude with exceptional customer relations skills and a drive to move forward within the company
Willing to learn and grow

Job Type: Full-time

Salary: \$16.00-\$23.00 per hour
