

## **Panacea Pharmacy**

### **Pharmacist/Manager**

Panacea Pharmacy is looking for a full-time Pharmacist / Pharmacy Manager in Winnipeg to work weekdays 9:30 am to 4:00 pm. As a pharmacist, you will be responsible for dispensing prescribed medicines, and providing consultation and advisory services to patients and health care providers. Their duties include (but not limited to) the followings:

- Knowledge of the Pharmaceutical Act and CPhM's Standards of Practice. Checking prescriptions for proper dosage, dispensing pharmaceuticals to customers, and advising them of side effects, drug interactions, and dosages.
- Order and maintain stock of pharmaceutical supplies and medication.
- Educate patients on the possible side effects of their medication and answer any questions they may have
- Licensed to practice pharmacy in Manitoba in good standing with the College of Pharmacists of Manitoba (CphM). Oral and written fluency in English.
- Experience with Kroll pharmacy software.
- Able to work independently and in a fast paced environment.
