Job Description

I am currently seeking a full-time podiatrist to join our team in Winnipeg, Manitoba, Canada.

We are the largest podiatry clinic in Winnipeg. Dr. Amar Gupta has been practicing for 21 years and is the owner and operator of the Foot & Ankle Clinic along side a team of podiatrists. Established in 2011, Winnipeg Foot and Ankle Clinic has been a pillar of the medical community in River Heights that is situated central west in the city.

The clinic has an interest in chronic foot and ankle pain utilizing diagnostic ultrasound imaging while maintaining exceptional services through evidence-based medicine.

Ideal candidate will be qualified from Michener Institute of education, Ontario, United Kingdom, or Australia with BSc (Hons) Podiatric Medicine. Further education towards MSc would be of interest. Must be proficient in general duties of podiatry (biomechanics, diabetes, nail surgeries, custom orthotics) with mentoring in Dx local anesthetic infiltrations to the foot and ankle, have possibly completed corticosteroid injection course. Registration must meet College of Podiatrists of Manitoba (COPOM) guidelines: www.copom.org
