

Apprentice Maintenance Person

Prime Properties Ltd

Job Description

We have an opening for an apprentice maintenance person for the renovations and maintenance of apartments and their property. In addition to regular maintenance work, we are currently in the midst of renovating apartments.

Employment requirements

- Ideal candidate should have a quick learning aptitude for all the construction trade skills (eg. plumbing, electrical, carpentry, drywalling, painting, tiling, flooring, etc., etc.)
- Provable ability and experience in a couple of mentioned trades.
- Ability to trouble shoot problems, improvise where necessary, be conscientious and efficient about their work and have a willingness to tackle any job.
- The individual would be expected to have or accumulate their own basic tools and have a desire to acquire more as required.
- Though not essential, having a vehicle would also be helpful.

Location: Winnipeg

Wage: Starting Rate of \$15 / hour
