Our History:

VAW Systems Ltd. is an international leader in the design and manufacturing of noise control and filtration equipment for fans and gas turbine engines. We have over a 40+ year history of building high quality products for customers around the world.

VAW is pleased to offer its employees competitive pay, a comprehensive benefits plan including health, dental and vision coverage and employer paid premiums. We also provide a company matched RRSP program, Employee Assistance Program, on the job training and potential for continuous long-term employment and advancement within our organization.

Your Opportunity:

VAW is looking for an experienced **Industrial Painter** to join our fast paced, safety focused, custom manufacturing facility. We have an opening on our Monday to Friday Day Shift (7:30 a.m. to 4:00 p.m.).

Responsibilities:

- Set up and operate conventional and airless spray equipment
- Maintain and clean all painting equipment, grit blasting equipment and finishing area
- Set up and operate the grit blasting equipment
- Ability to mix and apply various coating systems (i.e. epoxy, zinc, urethanes, etc.)
- Ability to read and interpret paint data sheets
- Prepare product for painting
- Perform final assembly of products
- Ability to work on ladders and at various heights

Skills and Qualifications:

- The ideal candidate will have completed training at a vocational or technical training facility
- Ideally 2+ years of painting and coating experience
- Min 2 years' experience with the following:
 - Ability to mix and apply Epoxies, Zincs, Polyurethanes and enamels
 - Ability to use conventional and airless spray equipment
 - Ability to use wet WFT gauge as well as electronic DFT gauge
 - Ability to read and understand Product Data Sheets
 - Ability to operate Sandblast equipment
- Safety focused
- Possess the skills and abilities to consistently produce high quality products and ensure quality control is maintained to the established standards
- Must be organized, flexible, proactive and interact in a positive and respectful manner with co-workers
- Knowledge of industrial/commercial fans, noise control and HVAC systems are assets
- Knowledge of Lean principles an asset

Benefits:

- Dental Care
- Extended Health Care
- Vision Care
- Disability Insurance
- Life Insurance
- RRSP Match
- Employee Assistance Program
- Overtime Pay

- Casual Dress
- On-Site Parking

Wage: \$21.04 to \$26.13 per hour.

If you feel you are the ideal candidate that is needed for this role, please send your resume in confidence to:
hr@vawsystems.com

We appreciate your interest in VAW Systems, however only candidates who are already eligible to work in Manitoba will be considered. Only candidates selected for a paint test and interview will be contacted.
