Are you looking for continuous long-term employment where you can make up to \$29.87 per hour, get a comprehensive benefits plan and there is also room for advancement? If you are, VAW Systems Ltd. is where you want to work.

Our History:

VAW Systems Ltd. is an international leader in the design and manufacturing of noise control and filtration equipment for fans and gas turbine engines. We have over a 40+ year history of building high quality products for customers around the world.

VAW is pleased to offer its employees competitive pay, a comprehensive benefits plan including health, dental and vision coverage and employer paid premiums. We also provide a company matched RRSP program, Employee Assistance Program, on the job training and potential for continuous long-term employment and advancement within our organization.

Your Opportunity:

VAW continues to grow and is looking for experienced **Welder/Fitters** to join our fast paced, safety focused, custom manufacturing facility. We have openings on our Monday to Friday Day Shift (7:30 a.m. to 4:00 p.m.) and Evening Shift (4:00 p.m. to 12:30 a.m.).

Responsibilities:

- Demonstrate welding & fitting capabilities
- Carry out welding operations, including reading blueprints and weld symbols
- Ability to create product that meets our customer's expectations
- Position will predominately be welding however there may be times when flexibility to perform other duties will be required

Skills and Qualifications:

- Successful completion of all VAW's pre-screening assessments including the VAW Welding Test
- Additional MIG welding & fitting experience in a custom metal fabrication environment is an asset
- The ideal candidate will have completed welding training at a vocational or technical training facility
- Thorough knowledge of all types of welding procedures, practices and weld symbols
- Proficient at reading blueprints and using metric tape measures
- Safety focused
- Must be organized, proactive and interact in a positive and respectful manner with co-workers
- Must obtain all required C.W.B. tickets within 6 months (various materials & positions). VAW will facilitate the testing
- C.W.B. transferable welding tickets are an asset
- Knowledge of industrial/commercial fans, noise control and HVAC systems are assets
- Knowledge of Lean principles an asset

Benefits:

- Dental Care
- Extended Health Care
- Vision Care
- Disability Insurance
- Life Insurance
- RRSP Match
- Employee Assistance Program
- Overtime Pay

- Casual Dress
- On-Site Parking

Wage: Up to \$29.87 per hour.

If you feel you are the ideal candidate that is needed for this role, please send your resume **and shift preference** in confidence to: hr@vawsystems.com

We appreciate your interest in VAW Systems, however only candidates who are already eligible to work in Manitoba will be considered. Only candidates selected for a weld test and interview will be contacted.
