

Building Maintenance

Description

We are seeking skilled and motivated Building Maintenance Workers who are passionate about creating a safe, functional, and welcoming environment for our clients and staff. The ideal candidates will possess a strong sense of responsibility, excellent problem-solving skills, and a commitment to upholding the high standards of Aurora Recovery Centre.

Duties

- Perform routine maintenance tasks such as repairing plumbing systems, electrical systems, and HVAC systems.
- Conduct regular inspections of the building to identify and address any maintenance issues.
- Respond promptly to maintenance requests from tenants or employees.
- Coordinate with contractors and vendors for repairs or installations that require specialized skills.
- Keep accurate records of maintenance activities using a Computerized Maintenance Management System (CMMS).
- Supervise and train maintenance staff, ensuring that they adhere to safety protocols and perform their duties effectively.
- Fabricate or repair various items
