

Athletic Therapist

Description

The Blizzard Junior A Hockey Club is seeking a full-time, contract Athletic Therapist, for the 2024-2025 hockey season.

If you are a highly energetic individual who possesses excellent work ethic, attention to detail and you possess a team-orientated attitude, we want you to become a part of our team!

Duties

The successful individual will be required to full-fill the following tasks:

- Available for practice times daily and be on the bench for all practices and games in case of injuries
- Provide medical attention to players, at all team functions including home and away games as well as practices
- Travel with the team for away games
- Must be able to wrap ankles, wrists, knees, shoulders etc.
- Inventory kept on medical equipment on monthly and yearly basis
- Medical records kept for every player on every injury - folder for each player for medical purposes/insurance
- Reports all injuries to the General Manager/Head Coach as well as Hockey
