

## Restaurant Cashier - NOC: 65100

### Description

#### Job Description:

We are seeking a reliable and customer-oriented Restaurant Cashier to manage all transactions with our customers accurately and efficiently. The ideal candidate will have excellent communication skills, a positive attitude, and the ability to handle cash transactions with precision. This role is vital in ensuring our customers have a smooth and enjoyable experience from the moment they enter our restaurant until they leave.

### Duties

#### Responsibilities:

- Cash Register Operation: Operate the cash register efficiently to process money, cheques, and credit/debit card payments.
- Payment Processing: Scan items, tabulate total payments, and receive payment for goods or services.
- Daily Reconciliation: Calculate daily/shift payments received and reconcile with total sales to ensure accuracy.
- Customer Interaction: Greet customers warmly, accept reservations or take-out orders, and
