

General Construction Labourer - NOC: 75110

Description

We are hiring a General Construction Labourer to assist with various tasks on our construction sites. The role involves site preparation, loading and unloading materials, operating basic tools, and supporting skilled workers such as carpenters, plumbers, and electricians. The ideal candidate is physically fit, able to follow instructions, and has a strong work ethic.

Duties

- Help prepare construction sites by clearing debris, setting up materials, and organizing tools and equipment.
- Operate pneumatic hammers, vibrators and tampers as directed
- Tend or feed machines or equipment used in construction such as mixers, compressors and pumps
- Clean up chemical spills and other contaminants, and remove asbestos and other hazardous materials
- Level earth to fine grade specifications using rake and shovel
- Load and unload construction materials, and move materials to work areas
- Oil and grease hoists and similar equipment
- Use hand tools and power tools, such as hammers, drills, and saws, to assist in construction tasks
- Assist carpenters, plumbers, electricians, and other skilled tradespeople with tasks like measuring, cutting, lifting, and assembling materials.
