

## Venetian Blind Installer - NOC: 73200

### Description

We are seeking a skilled Venetian Blind Installer to join our team. The ideal candidate will have experience in installing and servicing custom blinds, with a focus on precision and customer satisfaction. If you take pride in delivering high-quality work and are passionate about creating beautiful, functional spaces, we want to hear from you.

### Duties

- Read and interpret blueprints, work orders, and customer specifications to determine the layout and installation procedures for blinds and other window coverings.
- Measure windows and spaces accurately, marking guidelines for precise installations.
- Install, repair, and service blinds, ensuring alignment, function, and customer satisfaction.
- Use hand and power tools to securely fit and adjust custom blinds, guaranteeing safety and longevity.
- Provide aftercare service by adjusting or repairing blinds when needed.
- Work closely with clients to ensure installations meet their preferences and specifications.
- Follow safety protocols and maintain clean, organized work areas during and after installations.

### Qualification

- Experience as a blind installer or in a similar installation role is an asset.
