

## Research Project Coordinator

### Description

**MANITOBA MÉTIS FEDERATION**

**RESEARCH PROJECT COORDINATOR**

**December 17, 2024**

**Posting #24-12-016**

The Manitoba Métis Federation (MMF) is the democratically elected National Government of the Red River Métis, also known as the Manitoba Métis. The Red River Métis are a distinct Indigenous Nation and People, and Canada's Negotiating Partners in Confederation and the Founders of the Province of Manitoba.

The MMF seeks to fill **one full-time Research Project Coordinator** position within our **Health & Wellness Department** located at 200 Main Street in **Winnipeg, MB**. The Research Project Coordinator will be required to administer the conduct of research and analysis on a range of health and wellness issues. Projects within the scope of this position include radon effects, transportation utilization with chronic diseases, amongst other projects, all of which are within the scope of the Red River Métis.
