

Car Lot Attendant - NOC 65329

Description

Auto Excell is looking for a Car Lot Attendant to help manage vehicle inventory and ensure the lot is organized and clean. The role involves moving and parking vehicles, assisting with vehicle displays, and maintaining the overall appearance of the lot. Attention to detail, a good work ethic, and the ability to work outdoors are essential.

Duties

- Move, park, and organize vehicles on the lot to ensure optimal display and accessibility.
- Perform regular lot inspections to maintain cleanliness and orderliness.
- Assist customers with locating vehicles and answering basic inquiries.
- Maintain and manage vehicle inventory records.
- Ensure safety protocols are followed while moving vehicles and operating equipment.
- Report any damage or maintenance issues with vehicles to management.

Qualification

- Strong attention to detail and organizational skills.
- Ability to work outdoors in varying weather conditions.
- Good communication skills to assist customers and coordinate with the team.
- Physically able to perform car lot maintenance tasks.
