

## Automotive Service Technician

### Description

Viking Motors is a well-established automotive dealership located in Arborg, Manitoba, specializing in providing top-quality automotive service to our customers. As part of our continued commitment to excellence, we are looking to hire an experienced Automotive Service Technician to join our team.

### Job Responsibilities:

As an Automotive Service Technician at Viking Motors, your responsibilities will include the following:

- Diagnose and repair vehicles: Inspect and test vehicle systems and components using diagnostic equipment to identify mechanical and electrical problems. Repair or replace components as needed, ensuring vehicles are operating at their best.
- Perform scheduled maintenance: Conduct routine maintenance such as oil changes, tire replacements, brake checks, and engine inspections to ensure customer vehicles are in safe, working order.
- Customer service: Provide clear explanations to customers about vehicle issues and work performed. Advise customers on vehicle maintenance schedules, safety checks, and repair needs.
- Repair and replace parts: Replace worn-out or broken parts including exhaust systems, brakes, engines, and transmissions. Use specialized tools and equipment to complete tasks efficiently.
- Test and adjust vehicles: After repairs, test the vehicle to ensure all systems are functioning properly and meet safety standards. Adjust systems as necessary for optimal performance.
- Work with team members: Collaborate with other service technicians, mechanics, and service advisors to
