

Pharmacy Technical Assistant (NOC: 33103)

Description

At Shoppers Drug Mart, we believe in fostering a positive and supportive environment where our team works together to deliver exceptional customer service. As a Pharmacy Technical Assistant, you will play a vital role in supporting the day-to-day operations of the pharmacy, ensuring the safe and efficient handling of medications, and providing excellent care to our valued customers.

Responsibilities:

- Carefully review prescriptions to confirm completeness and accuracy, ensuring the right medications are provided to patients.
- Input client and prescription details into the system with precision to ensure proper documentation.
- Support pharmacists in accurate preparation, packaging, and labeling of medications to meet the needs of patients.
- Manage pharmaceutical inventory by regularly checking stock levels, restocking shelves, and organizing products for easy access.
- Prepare specialized compounded products such as oral solutions,
