

Experienced Ag Pilot

Description

Arty's Air Service is a family-owned and operated ag aviation company that has been in operation since 1978 in Winkler, MB. In the past 47 years, Arty's Air Service has grown from a single-plane operation to a multi-plane operation that now services across Western Canada with multiple sites in Northern Alberta and Manitoba. Our goal is to provide exceptional service to our customers

We are currently looking for an experienced ag pilot with the following qualifications for the 2026 season:

Experience

- Fixed Wing Commercial Pilots License
- A minimum of 1000 hours of turbine experience
- Experience in forestry protection and/or ag applications
- Excellent knowledge of SATLOC GPS and Agnav Systems
- Manitoba, Saskatchewan, and Alberta Pesticide Licenses

Duties

- Work with self dispatch system and apply the correct application area with the correct product.
- Maintain journey logs following Transport Canada guidelines
- Work with customer and ground support crews in a professional manner
- Proficient in speaking, reading, and writing in English
