

## Warehouse Person

### Description

- Select product accurately in all climates (dry, coolers, and freezers)
- Assemble and select cases from pick locations for store orders daily in an accurate, efficient and productive manner. Order is assembled onto wood pallets
- Perform visual and operational vehicle safety inspections and report any unsafe vehicles to shift Supervisor or maintenance personnel
- Responsible for ensuring that all cases and pallets are properly identified with the correct store number
- Secures selected cases and conducts final pallet preparations by wrapping selected loads and applying shipping labels
- Comply with all Occupational Health and Safety Acts and all Loblaw policies

### Duties

#### About the Role:

The **Warehouse Assembler** role is ideal for those who love to work independently and stay active, while being supported by a collaborative team in a fast-paced unionized environment. Loblaw is highly safety focused, and our goal is for colleagues to feel confident in their role and go home safe at the end of the day. Interested candidates of all backgrounds and genders are encouraged to apply.
