

# Class 1 Truck Driver

## Description

Description

### Summary

Are you someone who loves keeping things moving and hates sitting still? Join our pre-cast concrete team in either Haywood, MB or Winnipeg, MB – your choice! You can become the hero of getting things where they need to go—safely, smoothly, and on time. If you're skilled with a flatdeck and a semi – this could be your next great move. This full-time position typically operates Monday to Friday, all year round (not seasonal)

### Duties

#### Duties & Responsibilities

- Safely operate Class 1 tractor-trailer units
- Deliver precast concrete to construction sites from our two plants
- Perform vehicle inspections, utilize e-logs and complete delivery paperwork
- Verify load securement before transport and check loads during transit (*yard staff typically load and secure, but drivers must understand securement and adjust/secure when needed*)

## Closing Date

February 28, 2026
