

Advanced Electronics Technician

Description

Job description:

Mobile Tech Lab is seeking a mobile device & computer repair technician for our St. Vital location.

Who We Are:

Mobile Tech Lab is your one stop tech sales & service shop. We are a locally owned leader in Manitoba with 2 locations and growing. Our goal is to “create customers for life” by offering products and services that complete your tech lifecycle no matter what device. Buy, activate, insure, trade-in, and repair your phone, tablet, computer, game console, and more 7 days a week at any of our locations in Manitoba. Our technicians are professionally trained and certified. We offer same-day repairs using genuine parts for most repairs, plus offer a lifetime guarantee on our work. We perform all iPhone Repairs with Apple diagnostic software, tools, & processes to make sure your repair is done safely and reliably.

What We Are Looking For:

Mobile Tech Lab is seeking an experienced Advanced Electronics Technician / Technician Trainee to join our growing team for a full-time/part-time position at our above listed locations. Starting rate is \$31 per hour with an advancement guide to earn more as you complete advancements. The right candidate must be able to work 30-40 hours per week at the Thompson, MB location.
