

Senior Dispatcher - Route king Transport

Description

Accountability- Lead the Daily Execution that Drives Performance

Route king Transport is seeking an experienced Senior Dispatcher to oversee daily fleet operations, optimize routing, and ensure on-time delivery across all freight movements. This role is critical to maintaining operational efficiency, driver coordination, and customer satisfaction.

You will serve as the central hub between drivers, clients, and leadership.

Duties

- . Plan and dispatch drivers and equipment efficiently.
- . Monitor routes and resolve real-time operational issues.
- . Optimize fleet utilization and reduce empty miles.
- . Support drivers with communication, scheduling, and problem-solving.
- . Ensure compliance with safety and transportation regulations.

Qualification

- . 3-5+ years of dispatch experience in trucking or logistics.
- . Strong Knowledge of Winnipeg and regional routes.
