

## Livestock trailer inspector

### Description

Livestock trailer inspector

We are a third-party inspection business out of Blue Water Wash Blumenort. Inspectors will physically go into a clean livestock trailer and do a visual inspection of the cleanliness of the trailer. We are there to ensure biosecurity and to guarantee the quality assurance of the wash.

Inspectors must be detail oriented, be able to do some light lifting (trailer gates, etc.), have reliable transportation and a class 5 licence.

The inspector would be on call.

- 11pm-7am (Sunday to Friday) schedule to be determined, to start immediately.

Send resume to: [annette.tetrault@gmail.com](mailto:annette.tetrault@gmail.com)
